And Away We Go

With the Covid 19 lockdown the new board of directors held their first meeting on Thursday via Zoom. The main item on the agenda was to fill the various executive posts. I'm happy to report that Andy Nardoza agreed to fill the position of Vice-President and Member Welfare, Tony Di Lallo will continue as Treasurer, Deborah Angelus and Anna Ciccotosto will share the Secretarial duties, Raz Crivello and Bill Holowka will be our Social Convenors and Kevin Marciniak will continue working on our website and prepare our annual Directory while Norma Passaretti will serve as Past President. As the Board could find nothing for me to do, they appointed me President.

The present lockdown has obviously curtailed our social events but we hope that they will resume soon. If you find yourself with extra time, why not pick up your directory and give someone a call?

Along with this note please find the membership registration form. We would appreciate an early reply so that Kevin can get on with formatting the directory.

We will do our utmost to keep you informed with anything new that is happening. Keep your chins up! Let us hope that we can meet for our annual Christmas dinner. We need each other!

Joe Jaroslowski

President
