JUST TO SAY HELLO

I hope that you and all your loved ones are coping well under the current lockdown. It certainly would be wonderful if we could have our usual Hallowe'en luncheon so that some of us could have the opportunity to release our inner childhood, with a silly costume, and win one of the wonderful prizes that I am sure Raz Crivello and Bill Holowka would have dug up! Just think of how boring it will be on the 31st when the doorbell does not ring and you will be stuck with all the candy that will necessitate that you consume it. Let's just keep our chins up and hope that the situation gets better by the time our Christmas luncheon arrives.

Registration for flu shots began this week. I hope you will find it easy to get an appointment. We must protect ourselves as best we can because we are vulnerable. Take some time to call another member just to see if all is well and if there are any ways, we can help each other!

A little reminder if you have not yet sent in your membership renewal to Tony DiLallo, we would appreciate receiving your registration by October the 23rd as the preparation of the directory is quite a task. Kevin Marciniak has begun work on it. Let's try to make his job a little easier. If you've misplaced your registration form go to <http://www.acracan.org>. and download it.

Keep safe!
