

ANNOUNCING THE 19th ACRA ANNUAL GOLF TOURNAMENT

Wednesday, July 5, 2017

The Association of Retired Educators is pleased to once again to sponsor our annual ACRA Golf Tournament. This year the tournament will be held at the Club de Golf Belle Vue.

The registration fee this year is **\$110.00 (Early bird price)** per golfer if paid by June 1 and includes golf, electric cart, dinner, gifts and prizes. **After June 1** the registration fee will be **\$125**. All proceeds will be donated to the St. Gabriel's Food Bank that serves the community of Point St. Charles.

Registrations will be accepted until such time as **144 golfers are registered**. All cheques - payable to **ACRA** . You are encouraged to register promptly.

This is a **shotgun start tournament beginning at 12:30** and play will follow the **best ball format**. Golfers should arrive **by 11:30** to allow for registration.

The golf club is easily accessible within 30 minutes from Montreal.

In case of inclement weather golfers will be issued a rain-check; however, the dinner portion will go on as scheduled in the evening.

For driving directions to the golf course go to the course's website. (www.golfbellevue.com)

One of the ways we raise funds for the Food Bank is by having enterprises or individuals sponsor golf holes at the cost of \$125.00 per hole. We would be pleased to receive the name and address of any such sponsor **whom you have already determined** would be interested in contributing to this undertaking. We would then follow up with the information letters to the proposed new sponsor.

Also, we ask that any participant let us know if they can solicit prizes for the raffle and prize table on our behalf. A letter supporting your request for prizes is on the ACRA website. This letter is available in English and French and gives the registered charity number for St. Gabriel's.

If you are interested in joining this year's ACRA Golf Tournament, please go to the ACRA website (www.acracan.org) to obtain the registration and table reservation forms.
